

My Writing Journey

Guided Journal for Young Writers

One complete programme, Grades 4 to 7:

Book 1 · Grades 4–5

Book 2 · Grades 6–7

Most children in Grades 4–7 struggle to put their thoughts on paper. They have ideas, but no structure, no words and no regular practice. **My Writing Journey** gives every child a guided writing period each week: personal writing, stories, descriptions, imagination and opinion.
